Neither the PNP nor its contributors are responsible for the content of any off-site pages that are referenced by or that reference to the PNP Home Page. The user specifically acknowledges that neither the PNP nor its contributors are responsible for any defamatory, offensive, misleading or illegal conduct of other users, links, or third parties and that the risk of injury from the foregoing rests entirely with the user. Links from the PNP Home Page on the World Wide Web to other sites, or from other sites to the PNP Home Page, do not constitute an endorsement by the PNP. These links are for convenience only. It is the responsibility of the user to evaluate the content and usefulness of information obtained from other sites.

Security, Intrusion, and Detection

For site security purposes, and to ensure that this service remains available to all users, all network traffic is monitored in order to identify unauthorized attempts to upload or change information, or otherwise cause damage or conduct criminal activity. To protect the system from unauthorized use and to ensure that the system is functioning properly, individuals using this computer system are subject to having all of their activities monitored and recorded by personnel authorized to do so by the PNP (and such monitoring and recording will be conducted). Anyone using this system expressly consents to such monitoring and is advised that if such monitoring reveals evidence of possible abuse or criminal activity, system personnel may provide the results of such monitoring to appropriate officials. Unauthorized attempts to upload or change information, or otherwise cause damage to this service, are strictly prohibited and may be punishable under Philippine law.

Information Collected and Stored Automatically

If you visit our site to read or download information, we automatically collect and store only the following information about you.

The name of the domain (for example, company.com if you use a private Internet access account, or yourschool.edu if you are connecting from a university domain) and IP address (a number that is automatically assigned to your computer when you are using the Internet) from which you access our website;

The type of browser and operating system used to access our site;

The date and time you access our site;

The Internet address of the website from which you linked directly to our site; and

The pages you visit.

This information is primarily collected for statistical analysis. This government computer system uses software programs to create summary statistics, which are used for such purposes as assessing what information is of most and least interest, determining technical design specifications, and identifying system performance or problem areas. In certain circumstances, however, we may take additional steps to identify you based on this information and we may share this information, including your identity, with other government agencies.
